Figurative language and the semantics-pragmatics distinction

the operation of the "poetics of mind" (Gibbs 1994) interacts with linguistic and non-linguistic knowledge, that is how it correlates with the semantics-pragmatics distinction My aim in this paper is to show that the phenomena classified under each of the tropes do not necessarily constitute a natural class but form rather a continuum

Diplomski rad - Semantic Scholar

figurative meanings of idioms are processed faster than paraphrases or literal uses of the same expressions (Gibbs, Poetics of the Mind 198) Interestingly enough, Jakobsen, Jensen and Mees have made a research that showed that idiom translation by paraphrase requires a relatively smaller amount of cognitive processing (217-249)

Clean Sources: Six Metaphors a Minute? - University of Surrey

Clean Sources: Six Metaphors a Minute? Paul Tosey, Wendy Sullivan and Margaret Meyer 2013 It is frequently suggested, in relation to Clean Language, that people use six metaphors a minute But do you know where that figure comes from, and what it is based upon? Recently we decided to check its source

Metaphors of Turning: The Mind, Agency, and Free Will in ...

metaphors are often operating in the background of the writer's mind, the writer may not have been conscious himself exactly which mode of turning is represented⁴ Metaphor Theory Traditionally, metaphor and other figurative language have been viewed as distortive of true knowledge—one of the reasons that Plato banishes poetry from his

172 Allegorical Poetics and the Epic unconscious or ironic allusion to the Old Testament tradition of messianic prophecy) in the older theological sense of "typical" (typological) That is, an earthly kingdom is seen as a "type" or prophecy of the reign Christ Satan does not know if ...

Aristotle and the Question of Metaphor

Introduction: Aristotle and the Question of Metaphor 11 General Introduction This doctoral thesis argues that Aristotle's definition of metaphor in Poetics 22 commits him to a vertical theory of metaphor, which concerns the relationship between words and things, rather than to a horizontal theory, which concerns the literal and figurative senses

The Poetics of the Flute: Fading Imagery in a Sepik Society

Figurative talk does things and creates realities It is neither just a way of saying things nor a matter of mere language This conclusion has also been reached by those who see metaphors as a means of structuring our conceptual system and find them in the activity of mind (eg 'body in mind' in Lakoff and Johnson 2003), as well as by those
